Just Like Gold Coin.

For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

HE SCORED THE POSSIBLE.

Lieut. Gus Rose Put Ten Shots in Center of New Target.

Lieut. Gus Rose of Company G, N. G. H., made the possible, or 50, while practise shooting at Kakako yesterday afternoon. The target used was Elvin's new head and-shoulders of a man, 200 yards, shooting off hand. A shot anywhere on the figure counts 5. Of course this increases the size of the bullseye to be made more than 100 per cent. At any rate, however, it is most excellent shooting and would prove very unhealthful for the enemy in a battle. This score has been beaten but once since the N. G. H. was organized. In 1895 Sergeant Elvin made 50 on a regulation target at Makiki. This was closer shooting. On account of the record Elvin was given three stripes in Company B by Colonel McLean and made assistant inspector of shooting. Members of Company G now take their hats off to Lieut. Rose.

A Dangerous Practice.

Work has been commenced in patching up the holes along the Waikiki road. Last night just before the laborers knocked off work six or eight loads of rock, earth and sand was dumped in the road opposite the Manson and Kelle houses and left all night without any light. How many teams and wheelmen ran into the obstructions is unknown, but at times the air was blue and sulphurous from the remarks of those who went into and over them. If a private citizen obstructs the road he is compelled to hang out a light or keep a watchman on guard. Why not the public servants?

Red Men Elect Officers.

The I O Red Men have elected the following officers for the ensuing year: J F Eckardt, prophet; E A Farmer, sachem; S J Salter, S S; John S Andrade, J S; John McLain, trustee; G L Edwards, chief of records. The appointive officers were all continued for the coming year. An entertainment will be given at the installation.

Miss Cahill Very Ill.

Miss A. Cahill, the Hotel street milliner, is very ill indeed at the Kellogg Sanitarium. About a week ago she was taken with a severe cold, which unhappily became seated on the lungs. Since then she has had several hemorrhages. While her condition is regarded as serious in the extreme her physicians have hope of her ultimate recovery.

Hawaiian Band Concerts.

The band had a very large audience at Emma square yesterday evening and gave a most appreciable concert. At 3 o'clock this afternoon the aggregation will play for the inmates of the Queen's hospital. At 4 tomorrow afternoon a concert will be given on the grounds of the Executive building.

A Big Duty.

The largest sum ever paid for duty at one time within the world's history, says the Daily Chronicle of September 29, was handed in the form of a check for £50,513 11s. 5d. to her majesty's customs on Monday by Mr. Lipton. The payment represents a clearance of about 1308 tons of tea.

Christmas Among the Methodists.

There will be an elaborate Christmas tree with appropriate exercises at the Methodist church on Friday evening of this week. Rev. G. L. Pearson and C. B. Ripley are most prominent in the arrangement of details. Besides the tree there will be an attractive program of literary exercises and music.

A Park for Children.

The Chinese Mission people are preparing a most beautiful playground for the children of their school in rear of the church on upper Fort street. Rev. F. W. Damon is the originator of the idea. The grounds will be a pleasure park with miniature houses, trees, etc. It will be called into service in connection with the work of the kindergarten.
